Foundation for Health Leadership & Innovation

NCCARE360

Get Help Fast. Anytime, Anywhere.

With NCCARE360's new **self-serve navigation tool**, you can quickly connect with local resources online.

Whether you need food, housing, transportation, health care, or other essential services, you can find the help you need, all in one place: **nccare360.org/get-help**. **No login or account required.**

How It Works

- **Search for services by keyword or category** (e.g., food, housing, childcare, employment).
- **Filter results by location**, eligibility, or other needs.
- **View details instantly** (e.g., contact information, hours, and directions).

What to Expect

- **Fast access:** No waiting for a referral—find help when you need it.
- **Search confidentially:** Look for resources without sharing your personal information.
- **Greater access:** Search the complete resource NCCARE360 directory.

Once you find a local organization, use the provided contact information to reach out to them directly. If you can't find what you're looking for, fill out an assistance request form, and an NCCARE360 Resource Navigator will reach out to assist you: **nccare360.org/get-help**.

About NCCARE360

NCCARE360 is North Carolina's coordinated care network, connecting people with community resources through shared technology and partnerships across the state.

This new self-serve navigation tool, launched in partnership with **Unite Us**, expands access to vital services and continues our mission to ensure that every North Carolinian can connect with the help they need when they need it most.
